TWO STATE AGENCIES WORKING TOGETHER TO HELP VETERANS

(Phoenix, AZ) – The Arizona Department of Veterans' Services Chandler office has teamed up with Arizona State University to develop a special online site especially for wounded Operation Enduring Freedom and Operation Iraqi Freedom military personnel and veterans, their families, and healthcare providers. The brochures list web resources such as on line support groups, vet centers, or service organizations that provide assistance.

The website was written by Danielle Carlock, Reference and Instruction Librarian at Arizona State University and designed by Alysia Sena, a Graphic Information Technology major at ASU. The special site can be reached at <http://libguides.asu.edu/veterans>.

The Chandler Arizona Department of Veterans' Services office is the first to carry hard copies of the brochures and can assist veterans with claims. The office is located at 3130 N. Arizona Ave., Suite 114, on the northwest corner of Arizona Ave. & Elliot Rd. It is open Monday through Friday from 8 a.m. to 5 p.m. Veterans Benefits Counselors Ron Shackle and Axinia Shade and American Legion Post 35 Service Officer Carl Bender, who volunteers at the Chandler Office, are there to assist all East Valley veterans with claims or other veteran issues. The state web site at www.azdvs.gov lists all Arizona Department of Veterans' Services offices.
